

# PINK® Batts

represent our passion for making a better glasswool insulation batt.

## Pink® Batts Wall and Ceiling steel frame range

With temperatures and energy bills rising, there isn't a home in Australia that wouldn't benefit from a better batt. Pink® Batts next generation binder produces a glasswool batt that is environmentally responsible, safe to use and rigid, yet soft enough to handle. Once Pink® Batts are installed they hold in place, which is important because a gap of only 5% can result in up to a 20% drop in thermal performance. Don't compromise on your comfort, choose Pink® Batts and use this guide to select a better batt for your steel frame project.

### Pink® Batts Wall: Internal & External Walls

#### High thermal performance + effective noise reduction

Material R-value m <sup>2</sup> K/W	Nominal thickness mm	Width mm	Length mm	No. of batts per pack	m <sup>2</sup> per pack	Coverage per pack m <sup>2</sup>	No. of packs per bale	Product code
R2.0 HD	70	600	1200	12	8.6	8.6	6	4006281
R2.5 HD	90	600	1200	12	8.6	8.6	5	4006069
	90	450	1200	12	6.4	6.4	5	4020595

### Pink® Batts Ceiling: Ceilings

#### High thermal performance + effective noise reduction

Material R-value m <sup>2</sup> K/W	Nominal thickness mm	Width mm	Length mm	No. of batts per pack	m <sup>2</sup> per pack	Coverage per pack m <sup>2</sup>	No. of packs per bale	New product code
R4.1	215	450	1200	10	5.0	5.0	5	4020596
	215	600	1200	10	6.7	6.7	6	4020597
R5.0	220	450	1200	8	4.0	4.0	5	4020598
	220	600	1200	8	5.4	5.4	5	4020599

## Why Pink® Batts?

**Energy efficiency:** With Pink® Batts throughout your home, your cooling and heating systems will work more efficiently and be cheaper to run. As you save money, you'll help save the environment too.

**A more comfortable home:** Whether you are renovating or building a new home, Pink® Batts can help keep your home cooler in summer, warmer in winter, and more comfortable all year round.

**Fire safe:** Pink® Batts are non-combustible. They serve as an additional defence, ensuring the insulation does not contribute to a fire.

**Easy DIY installation:** Pink® Batts are designed to be firm, yet softer to handle, so cutting and installation is easy.

And when they are fitted, they hold in place, so you can be confident that the insulation you install will perform better for longer.

**Lifetime Warranty:** Fletcher Insulation do not compromise on quality. For your peace-of-mind, we guarantee all Pink® Batts products with a lifetime homeowner warranty.

**Made from recycled material:** Pink® Batts are bio-soluble, manufactured from up to 80% recycled materials and specifically designed for our harsh Australian conditions.

**Made in Australia:** Manufactured in Australia since the 1950s, Pink® Batts have been used in millions of homes and thousands of architecturally significant buildings.

# The whole-of-home solution that puts you in the **Pink®**

Our whole-of-home approach features everything you need to create a more comfortable, energy efficient home. From Pink® Batts for walls, floors and ceilings, to Sisalation® building membranes that go under walls and roofs, and ResiTuff Residential Roofing Blanket for metal roofs. Plus Pink® Soundbreak™, specifically designed to reduce the volume of noise coming in from outside, as well as unwanted noise between rooms inside your home. When it's Pink® it fits together better. You save time and money and get a great result.

## Why choose **Fletcher Insulation?**

Fletcher Insulation really is a one-stop shop for all of your thermal and acoustic insulation needs. Since the 1940s we have manufactured and distributed Australia's most loved and trusted residential and commercial insulation brands. We pride ourselves on continually improving our processes to provide products of the highest national and international standards, and technical support of extraordinary value to our customers.

Put us to the test. For help finding the perfect insulation products for your project, simply call, email or visit our website.
